Subject: RE: Nearshore aragonite saturation data

I think that would be good.

Subject: Nearshore aragonite saturation data

Hi All-

Do you think it would be useful to have nearshore aragonite saturation data from Oregon State Waters for the issue paper?

I believe Francis Chan (Oregon State University) has some mooring data available from near the coast.

If this would be useful, I can contact Francis and request some of their data.

Let me know,
Cheryl
